## RED RIBBON WEEK

### Background

On February 7, 1985, at 2:00 p.m., Drug Enforcement Administration (DEA) Special Agent Enrique “Kiki” Camarena left the American Consulate in Guadalajara to meet his wife for lunch. Kiki had been in Mexico for four and a half years on the trail of Mexico’s marijuana and cocaine barons. He was due to be reassigned in three weeks, having come dangerously close to unlocking a multi-billion drug dollar pipeline.

As Kiki neared his truck, he was approached by five men, who shoved him into a beige Volkswagen. One of the men threw a jacket over Kiki’s head and the driver sped away.

Almost a month later, on March 5, Kiki’s body was found on a ranch outside of the town of Zamora, Mexico, approximately 60 miles outside of Guadalajara. Autopsy reports indicated that Special Agent Camarena had been tortured and beaten. Three days after his body was discovered, he was returned to the United States for burial

Following the death of Special Agent Camarena and the press attention that the killing generated, U.S. Congressman Duncan Hunter, member of the House Select Committee on Narcotics Abuse and Control, and Henry Lozano, a high school friend of Kiki’s and director of Teen Challenge, a drug abuse prevention and counseling organization, met to discuss plans to develop “Camarena Clubs” throughout the El Cajon, California, area. These “Camarena Clubs” were formed to unite students, teachers, and others in the community against drug abuse.

The first “Camarena Club” was started on April 20, 1985, at Calexico Union High School, the same high school from which Kiki graduated in 1968. The following week, members of that club, along with Congressman Hunter’s wife, Lynne, presented First Lady Nancy Reagan with the “Camarena Club Proclamation.”

The summer of 1985 saw a surge in national interest in the memory of Kiki Camarena and the problems of drug abuse. The Virginia Federation of Parents and the Illinois Drug Education Alliance called on every American to wear red ribbons to symbolize their commitment to help reduce the demand for drugs in their communities. Since then, the Red Ribbon campaign has taken on national significance.

## The Celebration Continues

Today, Red Ribbon Week is celebrated annually October 23–31 in cities across the country. During Red Ribbon Week, young people in communities across the nation pledge to live a drug-free lifestyle by wearing red ribbons and participating in community-wide anti-drug events.

The meaning of Special Agent Kiki Camarena’s sacrifice continues to galvanize communities through Red Ribbon Week, which calls upon organizations, parents, and educators to reinforce the dangers of drug abuse with children.

“Red Ribbon Week honors Kiki Camarena, who 28 years ago made the ultimate sacrifice fighting drugs. The news of his death touched the nation, and today, millions of young people born well after Kiki’s death wear red ribbons and sign pledges to remain drug-free,” said DEA Administrator Michele M. Leonhart.

Red Ribbon Week presents a critical opportunity for parents, educators, and communities to fight the constant battle against drugs by talking with children about the real issues around drug use and abuse. “Each year, Red Ribbon Week reinvigorates the message that drug abuse remains with us, and that we must stay vigilant in the fight,” says Jack Lawn, the DEA Administrator at the time of Kiki’s death.

Administrator Leonhart agrees, noting, “DEA will continue to take drug traffickers out of our communities as part of a comprehensive drug control strategy that includes effective enforcement, prevention, and treatment. All those who put their lives on the line enforcing our nation’s drug laws pay tribute to the young Americans who stand with them by wearing a red ribbon during Red Ribbon Week.”

Each year millions of Americans participate in Red Ribbon week as a way of saying, “We want America to be free of drugs”. This year, Scouts across America will have the opportunity to earn the right to wear the Red Ribbon Patch. The program consists of a Scout Unit agreeing to

participate in this campaign. The Scouts in the unit will be required to sponsor a Red Ribbon campaign in their school or community and participate in a drug-free activity to receive their DEA Red Ribbon Patch.

## ***Public Service Announcement (PSA)***

To publicize your event in your community it is important to know the media in your area. Determine who writes the local columns in the newspapers. Radio and television media have may have different staff working on the weekend. If your event is on the weekend, pitch your event to the weekend staff. Make sure to include your contact information at the top of all media materials, including e-mail address and phone numbers. Follow through with phone calls before and after your send materials. Make sure to take pictures of your event. Visually appealing images are a good way to attract coverage and are a great compliment to newspaper articles. "Red Ribbon Week encourages our entire community to adopt healthy, drug-free lifestyles," said [Contact Name, Leader of Your Organization]. "The campaign brings together parents, schools, and businesses as we look for innovative ways to keep kids and communities drug free."

The red ribbon now symbolizes a continuing commitment to reducing the demand for illicit drugs in our communities. In 1985, Drug Enforcement Administration (DEA) Special Agent Enrique S. "Kiki" Camarena was killed by drug traffickers. Shortly after Camarena's death, citizens from his hometown of Calexico, California, began wearing red ribbons to remember him and commemorate his sacrifice. Congress established Red Ribbon Week in 1988.

"Red Ribbon Week gives us the opportunity to be vocal and visible in our efforts to achieve a drug-free community," said [representative of your organization]. "Research shows that children are less likely to use alcohol and other drugs when parents and other role models are clear and consistent in their opposition to substance use and abuse."
